

**Amendments to Specification:**

Please replace the first paragraph of the Specification with the following amended paragraph:

This application is a continuation-in-part of U.S. Patent Application Serial No. 09/632,260, filed on August 4, 2000 and entitled "Apparatus and Method for Curing Materials with Light Radiation," which, in turn, is a continuation-in-part of United States Patent No. 6,200,134, filed on January 20, 1998, and issued March 13, 2001, which application and patent are incorporated herein by reference in their entireties.
